Results

Please allow 7-10 days for our office to contact you with test results. If you have not heard from our office within this time frame, please contact us. Every patient is entitled to a copy of his or her medical records. Please let our office know if you would like a copy of your test results. If you need any of the results sent to another physician, please bring the appropriate fax information with you to your appointment or call and let us know. It never hurts to always follow up on any testing our office orders and/or performs and we encourage every patient to be a participant in their health care.

Billing Questions

You are welcome to contact Linda at our office if you need assistance with any of your billings from any of the providers above. Your insurance information should be forwarded to all side entities by the requesting provider. If you know you had a service and do not receive a billing or remit from your insurance within a month call the appropriate number above to inquire on the status of your claims/charges.
